

# Alimi Rasheed Adewale

Lagos, Nigeria

+234 (0) 8080755931

[alimisolution1@gmail.com](mailto:alimisolution1@gmail.com)

## **OBJECTIVE:**

Highly skilled and motivated full-stack developer with **6+ years** of experience in building user-centric web applications. I am proficient in **HTML, CSS, JavaScript, Git**, and modern frontend and backend frameworks. Adapt at collaborating with cross-functional teams to deliver exceptional efficient and functional applications. I am committed to delivering high-quality code and continuously improving my skills to stay at the forefront of technology and best practices.

## **SKILLS:**

### **Full-Stack Development:**

- JavaScript (ES6+)
- ReactJs, NodeJs, and Typescript, NextJs
- React Native, C# - .NET Core, Firebase
- HTML5, CSS3, TailwindCss
- Responsive Web Design
- Frontend Performance Optimization
- Cross-Browser Compatibility
- MongoDB
- Wordpress

### **Other Skills:**

- Version Control (Git)
- Agile Development Methodologies
- Test-Driven Development (TDD)
- Problem-Solving and Troubleshooting

## **WORK EXPERIENCE:**

### **Senior Frontend Developer**

**(contract) Wisdom House Schools –**

**Offa, Kwara May 2021 – March 2022**

- ✓ I am part of the developer's team in designing and implementing complex web applications from concept to deployment.
- ✓ Collaborated with cross-functional teams to gather requirements and ensure seamless integration of frontend and backend components.
- ✓ developed responsive and user-friendly frontend interfaces using modern JavaScript

frameworks like React.

- ✓ Implemented a real-time messaging feature using WebSockets, allowing users to communicate seamlessly within the application.
- ✓ Conducted performance profiling and optimization, reducing page load times by 40% through frontend code refactoring.
- ✓ actively participated in architectural discussions, contributing ideas and suggestions to improve the overall application design.
- ✓ mentored junior developers, organizing weekly coding workshops to enhance team members' understanding of best practices and modern development techniques.
- ✓ Implemented performance optimizations, reducing page load times by 30% and enhancing the overall user experience

### **Full-Stack Developer**

**DAARU-L-ILM ISLAMIC STUDIES** – Luton, UK

**May**

**2019 – Present**

- Contributed to the development of various web applications, enhancing existing features and creating new ones.
- Developed and maintained multiple client websites, adhering to industry best practices and accessibility standards.
- Collaborated with the Product Management team to define technical requirements and translate them into actionable tasks, **resulting in a 20% increase** in development efficiency.
- Implemented responsive web designs, ensuring cross-device and cross-browser compatibility.
- Implemented a custom admin dashboard with data visualizations, enabling stakeholders to make data-driven decisions effectively.
- Actively participated in agile development processes, including sprint planning, daily stand- ups, and retrospectives

### **Frontend Developer**

**PROGRESS ICT MEDIA CONCEPTS**    **January 2020 - May 2023**

Developed and maintained user interfaces for multiple web projects, ensuring consistent and intuitive user experiences.

Collaborated with backend developers to integrate APIs and handle data flow between the frontend and backend layers.

Utilized modern frontend frameworks such as **React** to deliver dynamic and interactive web applications.

Developed a dynamic form builder using **React**, allowing users to create custom forms with drag-and-drop functionality, resulting in a 25% increase in user engagement.

Collaborated with the UX design team to create interactive prototypes for new features, gathering feedback early in the development process and reducing iteration cycles by 30%.

Implemented client-side data caching with service workers, reducing server load and improving offline user experience for mobile users.

Integrated Google Analytics and conducted in-depth user behavior analysis, leading to targeted UI/UX enhancements that improved conversion rates by 15%. Assisted the senior frontend developers in building user interfaces and interactive features for web applications.

Collaborated with the backend team to integrate frontend code with server-side APIs, resulting in seamless data flow and real-time updates.

**Astratech Nig Ltd - (Intern)**  
**FEB 2018 - AUG 2018**

- Worked under the supervision and mentor of experienced developers to build amazing apps for clients.
- Developed a platform for a coffee company using ExpressJs

**OTHER RELEVANT PROJECTS**

**Osun State Pharmacy Cooperatives, Nigeria — (Contract ReactJs Developer)**  
**Oyo State Real Estate Properties Limited, Nigeria – (Full Time ReactJs Developer)**  
**Fintech Startup, London – (Full Time Junior Full-Stack using Mern Stack)**  
**AI Software Development – USA (Full Time React Native Developer)**  
**Shadownet Technologies – Nigeria (Full Time Junior C# Developer)**

**EDUCATION:**

Computer Science B.Sc.  
Uopeople, 2020 - Present

Diploma in Web development  
New Horizon Computer Learning Center , Nigeria,  
2015 Nawair-ud-deen High School, NG, 2014

**CERTIFICATIONS**

- ALX JAVASCRIPT FOUNDATION, UDACITY, – 2020
- Certified AWS Data Strategist 2019
